Dear Verloyd,

The restoration of Basilica of the Assumption of the Virgin Mary is now complete. In a few short weeks the public will know all that we have done over the last 30 months to transform this historic structure. The success of this project is due in part to the expertise demonstrated by Mahogany.

On behalf of Henry H. Lewis Contractors, I would like to personally express my sincere appreciation for the quality workmanship exhibited by your forces. It has been a pleasure working with you and your personnel and I look forward to doing so again soon.

Sincerely yours,
